

Parking Arrangements at Seaview

In the interests of player and spectator safety and out of courtesy to residents at Seaview Tankerton F.C. would kindly ask all spectators to park on the Parking Area which is indicated on the map below. We do have a limited number of parking spaces available on the playing field but these are reserved for Disabled visitors and Managers (with large kit bags) only.

Please do not use this parking area on the playing field as a drop of zone.

The club would also ask spectators to refrain from parking on the grass area next to the small roundabout just outside the entrance to the playing field.
