- BM: “Giraffe in goal as he is very tall”
- ES: “The kangaroo is fast and can go anywhere”
- JS: “Gorilla in goal can intimidate the attackers”

### *UPDATES*

- Pieces must be completed by Saturday 3<sup>rd</sup> October

### *PROJECTS*

- The groups had 15 minutes to brainstorm some ideas for their group project.
- This saw developments in the club's interaction, the club's website and the club's respect campaign
- **The Interaction group** came up with questions (YES/NO)
- Adapting the questions for age groups was considered too
- AB suggested the group tell the coach before hand when they were coming to ask questions
- They agreed to start the questioning on Thursday 1<sup>st</sup> November
- **The website group** are going to publish the updates the other groups have within their projects
- They are hoping to get the website editing live very soon – Jay is still working on that
- **The respect group** want to have 'Respect' printed onto the club shirts as a long term goal
- This will either be on the back or on the sleeves
- The respect board should have prominent quotes which are snappy and to the point
- Toby will get the order in for the respect boards soon

- They are also keen to publish the respect rules on the website and newsletter
- The problem introduced with the respect board was the fact that they are a bit of a pain for the coaches to bring out but they are also at risk of vandalism
- One suggestion from AB was a banner as part of the nets of which will remain on there for the duration

*DATE OF NEXT MEETING – 5<sup>th</sup> October*
