Brief Introduction given to new members covering various information:

Formed 2012 by Luke Baker

Toby took over in 2014

YC runs several projects

Respect Project:

Aim to complete this by the end of the current season.

Banners and costing estimated price £20-£30 double sided per net.

Messages of respect on the banners. What are the banners purposes? For the players, for the referees and for the coaches. Basically, to allow them to get on with jobs with all parties being respectful, it's a reference point. Overall aim is to create a more enjoyable playing environment for everyone.

Opportunity to have a reference point.

Ben: Why not do it on just the 9 and 7 and 5 a side goals

Toby: Cheaper to buy in bulk...
